Brand story

People in Australia are enthusiastic, energetic, charming and cheerful. The Sydney Opera House is close to the huge white shells on the water, like sails on the sea, and like blooming flowers in the blue sky. Against the backdrop of blue waters, green seas, and green trees, she is graceful, light and bright. At the same time, in Australia, a country of sports and sports, it should be transported for centuries of tennis accumulation, belonging to the pride of Melbourne and Australian tennis. Sport, passion, blue ocean, blue sky, and nearly perfect space design elements are its roots. At the same time, it is also the official tone of the Bellalusso brand. It is intended to convey people's unique concept of life and culture to Australia, interpret the signs of light and luxurious life and modern new fashion, enthusiasm, happiness, and free lifestyle. It will bring you a life full of caring and bathing. Experience.
